

**Field Trip Permission**

**I give permission for my child, \_\_\_\_\_, to go on school-sponsored field trips. Before field trips are taken, my child's teacher will provide information and details on the trip. If I do not desire for my child to attend the field trip, I will notify the office and teacher in writing. This permission statement for field trips will give my child approval for the 2017-2018 school year.**
